FRIDAY, June 19th, 2020

Dear future grade 7 students,

You have made it. This year has been unique! I am so thankful to have been able to call myself your teacher for the past nine months. Know you have taught me a great deal!

My student, may you grow in faith, wonder and curiosity. May you always love generously and learn constantly. Be safe this summer. Shine light in the world, do not be afraid. You are just who you need to be, who God needs you to be. Know your teacher is proud of you. Go in peace!

Love, Ms. Froyland
